Boys and Ghouls on Parade

A Tale of the Tri-Town Masquerade

By Bethany Morgan

Below: Participants in the Marion Annual Halloween Parade stroll down Front Street despite the inclement weather. Over 100 children participated in this year's event, co-sponsored by the Marion Police Department and the Woman's Club. The parade ended at the Music Hall where prizes were awarded for the best costumes.

Above: *Winners and judges from Mattapoisett's Annual Halloween Parade include (l. to r., back): Marcia Dupont (gravestone), James F. Moran (police chief), Selectman Paul E. Lambalot (Sylvester the Cat), John N. DeCosta (selectman), Dot Gaspar (rabbit in hat), Nicoles Hamer (head in hand), Julia Gibb and Melanie Dixon (Bobsey twins); (l. to r., front): Ben Lareau (Pinnochio), Sara Francis (Bo Peep with sheep), Kara Hughes (strawberry), David Bradley (Dracula), Lauren Boivin (genie in lamp), Tom Amaral (short man), Jeff Rousseau (Com/Electric worker).*

Every October 31 children clad with costumes and armed with pouches are sent out tricking for treats among the streets of the community in celebration of All Hallow's Eve — better known by most as Halloween. We send our children out with confidence in our police force and in our community for their safe and happy return from an evening of spooky fun.

This year, all three towns in the area shared a communal support for this annual tradition. Perhaps fond childhood memories and positive thoughts about the holiday allowed for new memories to be made.

For the first time this year, Rochester joined Marion and Mattapoisett in organizing a Halloween Parade. The idea originated with Lions Club member John Cobb's daughter, herself a parent of a pre-school child. Soon, the town's Friends for Fun and the Lion's Club began campaigning for participation and funds in the hopes of, as Mr. Cobb said, "Doing as much as they can for the community."

Flyers were sent to students at the Rochester Memorial School and carried home in the backpacks of children. Through word of mouth and letters to local businesses prizes were donated for the event, including $50 gift certificates to be presented to the winners of the costume contest immediately following the parade.

The parade was to begin at 1:00 pm at the Town Hall and finish at the Woman's Club on Route 105 for the contest and party. The rainy weather, however, put a damper on the Halloween atmosphere and forced Selectman Murphy and Police Chief Walter Denham to move the parade indoors. There, the children in costume categories of pre-school through Kindergarten, Grades 1-3, and Grades 4-6, paraded inside the center while being

The grand prize winners for the preschool category were: Heather Rozz as the littlest witch and C.J. Glidden as a Ninja turtle. Kara Marie Hughes as a bright red strawberry received honorable mention. In Grades 1-3 the winners were Troy Ferguson as an old lady and Rachel Reaseh as a witch. Jocelyn Mayer, unicorn, and Christopher Burdick, a headless person, both won honorable mention. In the Grade 4-6 category, Eric Guy, an ax-murderer, and T.J. Darlington as a two-headed creature were the winning participants. Shannon Joyce and Amy Sullivan won honorable mention in this category.

Linda Towers of the Friends for Fun group was very pleased with the successful turnout — over 100 children came to delight in each other's costumes as well as the baked goods offered by parent volunteers.

For more than twenty years Marion has held a parade in honor of this spooky day with help from

the Police Department and the Mothers Club. The rain, now reduced to a chilling mist in the mid-afternoon, didn't stop the hundreds of children from marching down Front Street, up Main Street, across School Street, to Cottage Street, and then to find themselves in front of the Music Hall.

The goblins, ghouls, mice and cheese were then led into the belly of the hall to be greeted by Joanne Gibbs of the Mothers Club. There, a reading of the poem, "Orphan Annie," by James W. Riley was performed by Reverend Robert Duebber, as goblin number 1, and Father Timothy Goldwich as goblin number 2, with help from Timothy Goldwich, Katy and Peter Richardson, and Diane Duebber. The children were able to participate in this ghoulish poem by shouting, "The goblins will getcha it you don't watch out!"

Just then, a feisty child was taken from home by a devilish goblin. All was done with a light sense of humor with laughter pouring from the hearts of all in attendance. But then again, Halloween does have its spooky moments.

Police Officers Jonathan Dickerson and Kyle Costa discussed trick-or-treating safety and advised everyone to stay in groups, stay on the sidewalks, and don't eat anything that has been unwrapped.

In Mattapoisett, Police Officer Ken Pacheco said he was proudly participating in the third generation parade. "Many of the children whose parents brought them to the parade are now taking their own children," he said.

The parade, always held at night to add to the chilling atmosphere, began at 7:30 pm, on a dark and dank Halloween night. Hundreds of children, along with some enthusiastic adults, were led through Church Street, down Cannon, across Water Street, and up Barstow Street and then led back to Center School by a percussion band. Members of this band included a New Bedford Public School teacher, Mattapoisett band leader Paul Alves, North Dartmouth music teacher Craig Lilly, and UMass student Guy Medeiros.

Once at Center School, the children were divided into groups from which they would be judged for original costumes by a panel of judges that included Silvester the Cat (Selectman Paul Lambalot). Officer Pacheco, before the commencement of the judging, reminded all of the police department's gratitude for the support of local businesses and residents which enabled the them to purchase the prizes which ranged from bicycles for First Place to games for honorable mentions, and the pounds of candy to be given away

Secretary Carol Adams. The meeting began with the pledge to the flag, a moment of silence for members since departed, and a reminder of the meeting rules for the 102 voters in attendance.

The articles on the warrant for the evening were as follows:

• ARTICLE 1 — MATTAPOISETT'S SHARE OF REHABILITATION AND EXPANSION OF FAIRHAVEN SEWER TREATMENT PLANT: To see if the Town will vote to appropriate a sum of money to defray the costs of the balance of Mattapoisett's share of the Fairhaven Sewer Treatment Plant. William T. Nicholson, Water/Sewer Superintendent explained: "The longer we take to pay, the more it will cost (the town)." Selectman Mahoney added that in 1977, Mattapoisett formed a contract with Fairhaven to construct a sewer treatment plant. In 1991, an amendment was made to the contract to increase the town's capacity from 250,000 gallons per day to 500,000.

Also, Mr. Mahoney added the town has been fortunate to have access to a plant in another town. The 20 year loan will raise taxes minimally by $1.50 per $100,000. "We think it is do-able, timely, and meets our contractual responsibilities (to the town of Fairhaven)," said Selectman Mahoney. Article 1 passed unanimously.

• ARTICLE 2 — SUPPLEMENTAL BUDGET FOR FISCAL YEAR 1994 - OLD ROCHESTER REGIONAL SCHOOL DISTRICT: To see if the Town will vote to appropriate a sum of $10,000 to defray general operating expenses of the town for Old Rochester Regional High School Operating Budget and Capital Outlay. "The town that doesn't vote for it, doesn't get out of it," said Selectman Mahoney. Marion and Rochester passed this article at their Annual Town Meetings this past spring. Article 2 passed unanimously.

• ARTICLE 3 — SUPPLEMENTAL BUDGET FOR FISCAL YEAR 1994 - FIRE DEPARTMENT: To see if the Town will vote to appropriate the sums of money, as listed below and identified by budget line item number, to defray general operating expenses of the town. Article 3 passed unanimously.

Selectman Lambalot said he can't promise that the proposed law will be enforceable on the outset, but that he hopes it will improve the mess is Shipyard Park. Joe Slattery asked the Board that if such law isn't enforceable, isn't it a waist to have it? Selectman Lambalot answered him by saying that it was more of an educational tool. • ARTICLE 9 — SUPPLEMENTAL BUDGET FOR FISCAL YEAR 1994 - ASSESSORS: To see if the Town will vote to appropriate a further sum of money ($3,100) to defray general operating expenses of the town. Michael O'Brien of the Board of Assessors explained the cost of purchasing 9,247 commitment book forms used for Real Estate tax bills had not been included in this year's budget. This money would pay for said purchase. Article 9 passed unanimously.

• ARTICLE 10 — ASSESSORS' REEVALUATION OF REAL AND PERSONAL PROPERTY: To see if the Town will vote to appropriate a further sum of $16,000 to defray the costs of reevaluation of real and personal property within the town by the Board of Assessors as of January 1, 1993. Assessor Michael O'Brien explained this additional sum is needed due to the under-estimation of the contract for real estate reevaluation. Article 10 was passed unanimously.

• ARTICLE 11 — EDUCATION REFORM ACT - ELEMENTARY SCHOOLS: To see if the Town will vote to appropriate $25,175 for the elementary schools in order to meet the town's obligation under the Education Reform Act for FY 1994. Andrew Lynch of the Mattapoisett School Committee explained that the money, being in grant form, must now, according to state regulations, be appropriated by the town in light of any questions for its use as opposed to prior direct deposits. Article 11 passed unanimously.

Marion Selectmen's Meeting

November 2, 1993

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, November 2 at 7:00 pm by Chairman James S. Dougall. Also present were Selectman Loretta B. Schaefer, Selectman Albert E. Winters, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After approving the minutes of the October 26 meeting, the board signed warrants for the week and Chairman Dougall noted a memo from the Board of Fire Engineers advising them that a bid had been received on the purchase of a new Class A Pumping Engine for the town. Blanchard Fire Apparatus bid $198,714 for the engine, minus approximately $7,282 for the trade-in allowance and prepayment prior to delivery. Although only one bid was received, the Board of Fire Engineers recommended acceptance of the bid as it was below the anticipated cost and the reputation of the company was very good.

The Board of Selectmen unanimously voted

- The area north of a line drawn northeasterly from the southeast tip of the south dock at Old Landing to a "No Shellfishing" sign opposite Burr Brothers Boat Yard.

The board also granted permission to Mr. Jennings to seek legal counsel regarding payment of marine excise taxes.

Mr. Pickles reported that Aquatec, Inc. reported three consecutive days of "0" count coliform per 100 milliliters in samplings done during the past week, deeming the water safe for public consumption. Precautionary boiling is no longer necessary or recommended.

Under incoming correspondence for the week, the board considered the following:

• Memo from Helene Craver regarding annual license renewals and fees for said renewals. Mr. Pickles noted he had consulted with neighboring towns and found that Marion's current fee structure is just below most. "We're slightly lower than Mattapoisett," he said. The board members unanimously agreed to keep the fees at their current

level in order to encourage and assist local business. "I wouldn't recommend raising the fees," said Selectman Winters. "Especially taking into account the local economic climate."

• Memos from Harbormaster George Jennings regarding the discontinuance of the Marine Pumpout Service for the 1993 season as of October 31, the closing of all toilets and showers at the Island Wharf Pavilion as of Sunday, October 31 at 5:00 pm, and the discontinuance of fresh water service at both Island Wharf and Old Landing during the first week of November. Mr. Jennings noted that over 250 pumpouts were completed during the 1993 boating season and he hopes more will be done in 1994.

A 7:15 pm appointment with Mary O'Connor regarding property at 329 Front Street was cancelled for the evening and the board met with John T. Mahoney III and Joseph Lobosco at 7:30 pm to discuss a proposed gravity sewer tie-in for a development on Delano Road.

Mr. Pickles presented the board and the gentlemen with a copy of the town's previous policy regarding developers' requests for sewer extensions. "This is the policy the town has employed with other developers," he said. "I think which should remain consistent with this policy for all requests."

Both Mr. Mahoney and Mr. Lobosco reviewed the memo and had some questions and concerns relative to the project costs. Mr. Pickles explained that if the town were to proceed on their request, they, as the developers, would have to

reimburse the town for a town-contracted engineer to be present at the site throughout at a rate of $25 per hour and to pay for public safety measures in the form of an on-site police officer at a rate of $22 per hour.

Mr. Mahoney inquired as to whether any Chapter 90 assistance could be requested from the state, but Mr. Pickles advised him that Delano Road was turned down as a Chapter 90 road via Town Meeting and would not be eligible for state funding.

Mr. Lobosco also wanted some assurance that the town's wastewater treatment plant could handle the additional input from the 15 lots on their development before he expended any money on engineering studies and plans. "Our engineers believe it can handle the additional input," Mr. Pickles said, "but we'll have to get an opinion from the Department of Environmental Protection (DEP) before we know for sure."

Pending these additional bits of information, both Mr. Lobosco and Mr. Mahoney agreed to take the matter under advisement and wait for the board and/or Mr. Pickles to get back to them on some of the questions raised. "We're going to have to take this matter under advisement, because right now I

don't think it will be economically feasible to proceed," said Mr. Mahoney. "This is a large upfront cost and we were hoping the state might be able to kick in some Chapter 90 money."

The board also briefly discussed the ongoing attempt to have all homes in town properly numbered in anticipation of the forthcoming Enhanced-911 telephone system. Selectman Schaefer suggested that a more aggressive tact be taken to get all homes properly numbered in time. "Why don't we give everyone a deadline to number their homes and tell them that after a certain date a fine will be imposed?" she asked.

Mr. Pickles agreed to continue sending notices to those homes which are not at all or incorrectly numbered and said he would look into alternative methods of encouraging home owners to correct this matter by early next year (as the E-911 system will take effect early in 1994).

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:24 pm.

Rochester Selectmen's Meeting

November 1, 1993

A brief meeting of the Board of Selectmen was called to order on Monday, November 1 at 7:00 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After the board unanimously approved the minutes of the October 28 meeting, Chairwoman Hawkes noted the presence of the town's Pack 30 Webelos and Pack Leader Victor Bucchere. The Webelos attended the meeting in preparation for their citizenship badge and to learn about the workings of town government.

Under incoming correspondence for the week, the board received a detailed copy of the Massachusetts Municipal Association's Legislative Package which was adopted on October 26. The following notices were then cited for the week:

• Mattapoisett River Valley Water Supply Protection Advisory Committee will hold a meeting on Wednesday, December 1 at the Fairhaven Town Hall.

• The Board received an invitation to attend Eagle Court of Honor for Keith H. Boucher on Saturday, November 13 at 6:00 pm in the Rochester Grange Hall. Those wishing to attend must RSVP by November 5.

In Today's Mail, Chairwoman Hawkes cited a notice from the Cable Advisory Commission regarding whether the board wished to have them assist in cable rate regulations under the new cable law. A temporary rate freeze will end on November 15. The board unanimously voted to approve rate regulation for Continental Cablevision as per the recommendation of the Cable Advisory Commission.

Under New Business, Chairwoman Hawkes noted that Superintendent of Schools Joan M. Walsh sent a letter to her advising that under the new Education Reform Act, a representative from all three Boards of Selectmen (Mattapoisett, Marion and Rochester) must be selected from among the three board chairmen to sit in on Collective Bargaining meetings. Ms. Hawkes informed her fellow board members that all three chairs will attend the next meeting and will vote to select a single representative from among their group.

Under Old Business, Selectman Murphy made an agreement with Dale Barrows, Mattapoisett's Board of Health Agent, to work with Rochester to dispose of dead animals picked up by the town's Dog Officer. So-called "road kills" will be disposed of in Mattapoisett's Landfill.

Selectman Murphy also noted that he wanted to discuss the matter of the police department's purchase of a computer in 1990 further with Town Counsel as there was some incorrect impressions given to legal counsel. "He was essentially led to believe the money was spent 'in good faith,' well that may have been (Chairwoman Hawkes') opinion, but that wasn't the board's feeling," he said.

The board also noted having received a donation from the Rochester Golf Club to go toward the purchase of new Christmas decorations and lights for Town Hall. Selectman Hughes said that

any money received will be deposited into an account as a gift to the town and will be used for related Christmas displays/ceremonies at Town Hall.

The board then unanimously voted to recess to attend the Special Town Meeting slated for 7:30 pm, but would reconvene immediately following to further discuss the police department's computer purchase matter.

(See Special Town Meeting following.)

After the Special Town Meeting, the Board of Selectmen met with members of the Finance Committee, Police Chief Walter V. Denham, and Town Accountant Claudette Coutu to discuss the purchase of a compatible computer for use by the Police Department with the National Crime Information Center (NCIC) system.

Chairwoman Hawkes said she wanted to clear up some of the misunderstanding and misconceptions surrounding the purchase of said computer. "In order to ascertain where the funds for the computer purchase will come from, I've called this meeting with the (Police) Chief and Finance Committee," she said.

FinCom Chairwoman Pat Ryan said she was under the impression that, when it was first

discussed, the purchase would be placed as an article on tonight's Special Town Meeting warrant. "I was told we could appropriate the money for supplies for the computer, but the system itself can't be deemed an unforeseen expense, as it has been discussed for some time," she said.

As the computer terminal and printer are necessary to connect the Police Department with the online NCIC system, Selectman Hughes recommended placing the estimated $3,000 on a Special Town Meeting warrant. "At this point in time, we need this piece of equipment to connect to the NCIC system," he said. This will also allow the town to plan for the forthcoming Enhanced-911 telephone system sometime in 1994.

But Chairwoman Hawkes was concerned about holding a Special Town Meeting to appropriate money for an item that was previously approved via Town Meeting vote. "We already had an article for this purpose in 1990," she said. "I'd like to seek legal counsel before we move another article for the same purpose. The (1990) article was to purchase a computer to tie-in with the Registry of Motor Vehicles and the Criminal Justice (NCIC) system."

Both Town Accountant Claudette Coutu and FinCom Chairwoman Pat Ryan agreed with

Chairwoman Hawkes. "Once the money is expended, the article is closed and cannot be reopened," said Ms. Coutu.

"I agree that you should seek legal counsel before we pursue another Special Town Meeting article," said Ms. Ryan. "And when we purchased the computer for the Town Accountant, we were told by the state that we could not transfer money from the Reserve Fund for that purpose."

But Chairwoman Hawkes wanted to wait and see if the money for the terminal and printer could be appropriated some other way — preferably through donations. "I'm looking at the possibility of someone donating money to the Police Department to purchase the computer system," she said.

Selectman Hughes withdrew his earlier motion to place the appropriation on a Special Town Meeting warrant and noted that Chairwoman Hawkes would be responsible for looking into alternate sources of funding for the computer system.

There being no further matters to discuss, the board adjourned for the evening at 8:45 pm.

approved all six articles under the swift guidance of Moderator William Chamberlain.

After a Salute to the Flag led by the Webelos of Pack 30, Mr. Chamberlain asked for a moment of silence for two recently departed residents and active "friends of the town," William D. Watling and Thomas Gayoski.

Mr. Chamberlain then read the first article up for consideration:

"To see if the Town will vote to transfer the sum of $3,102.35 from available funds to pay bills from fiscal year 1993, or take any other action thereon."

Board of Selectmen Chairwoman Hawkes cited a list of the miscellaneous expenses which were outstanding bills left over from Fiscal Year 1993, after which the article was passed with a unanimous vote of Town Meeting.

Article 2 read as follows: "To see if the Town will accept a private way commonly known as "Ashley Brook Lane," as set forth on Plan entitled "As Built, Plan and Profile for Ashley Brook Subdivision in Freetown, MA and Rochester, MA, Scale as shown, June 9, 1987, G.A.F. Engineering,

Mr. Chamberlain noted that a letter was filed on October 27 from Highway Surveyor Jeff Eldridge deeming the road in question as "acceptable" and another letter from the Planning Board dated October 26 offering their approval of the road as a public way. There being no further discussion on the matter, it was unanimously approved by the voters present.

Mr. Chamberlain explained that the following four articles would all entail several motions before being considered and approved.

First, a motion must be made and approved to reconsider the article originally passed on the Annual Town Meeting warrant of May 21, 1993. Then, another motion must be made and approved to accept the article as passed; after which the article must be amended and then approved or declined as amended.

The first of these was Article 3: "To see if the Town will vote to reconsider Article 3, Line Item 7 of the Annual Town Meeting, May 21, 1993, Legal Counsel, or take any other action thereon."

After approving said article for reconsideration, Finance Committee (FinCom) Chairwoman Pat Ryan moved to amend the previously approved amount of $12,000 to $37,000. Selectmen Chairwoman Hawkes explained that the town has gone through a great deal of litigation of late, and the initial $12,000 appropriated for Legal Counsel has already been exhausted. "We're essentially out of funds and we're not even halfway through the year," she said.

Both the Finance Committee and Board of Selectmen agreed that an additional buffer of $25,000 would avoid having to hold another Special Town Meeting for additional funds or dipping into the Reserve Fund. Mr. Chamberlain clarified the article by stating it was essentially a way of preparing for those times when the town needs to defend itself in litigation. Not all of the money appropriated will necessarily be spent. The article was thereby passed with a unanimous vote of Town Meeting.

Mr. Chamberlain read Article 4 as follows: "To see if the Town will vote to reconsider Article 3, Line Item 23 of the Annual Town Meeting, May 21, 1993, Council on Aging, or take any other action thereon."

FinCom Chairwoman Ryan amended the previously approved amount from $18,353 to $19,853, citing the additional $1,500 increase as

having been recommended on a request from the Council on Aging for vehicle maintenance and service to the COA van. The article was unanimously passed.

Next up for consideration was Article 5: "To see if the Town will vote to reconsider Article 3, Line Item 64 of the Annual Town Meeting, May 21, 1993, Rochester Memorial School, or take any other action thereon."

FinCom Chairwoman Ryan again amended the amount voted at the Annual Town Meeting ($1,902,207) to $1,989,419. After approving the amended amount, Ms. Ryan noted that this increase does not affect the tax rate. This amended amount simply represents a change in the estimated amount of aid from the state and is merely a bookkeeping item. The change is a direct result of the recently passed Education Reform Act of 1993. There being no further discussion on the article, it was passed with a unanimous vote.

Town Moderator William Chamberlain read the final article up for consideration: "To see if the Town will vote to reconsider Article 3, Line Item 81 of the Annual Town Meeting, May 21, 1993, Water Department, or take any other action thereon."

Ms. Ryan moved to amend the amount of $1 to $3,001, explaining that the money had been previously budgeted for water work done in and around Town Hall. "We closed out the account to finish the job at Town Hall and the money was reverted back to the General Fund," she said.

Highway Surveyor Jeff Eldridge explained that the money was already approved for the work, but the state wouldn't let him complete the job until after July 1, the start of the new fiscal year. This article would simply appropriate the money back into the account. The article was also unanimously approved.

There being no further articles to consider, a motion was quickly made to adjourn for the

34th annual celebration of this parade.

The parade will form at lower Main Street and Cedar Street in the vicinity of Warr's Marina and extend to Besse Park in Wareham. The time for form up will be at 12:30 pm with a starting time of 1:30 pm. The parade will follow Route 6 and travel along Main Street through the center of Wareham to Marion Road, take a left onto Marion Road at Chapel Hill, proceed to the Memorial Town Hall. The reviewing stand will be on Main Street in front of the Fire Station. The awards ceremony will take place at the War Memorial next to Town Hall after the judges have made their decisions. If inclement weather forces a cancellation, a ceremony will be held inside Town Hall.

This year, immediately following the parade, there will be a dedication of a memorial plaque at the flag pole outside the Wareham Free Public Library. The library is the site of the "Arruda Memorial." Richard Arruda was a lifetime resident of Wareham who was killed in action during the Vietnam War.

Following the parade, refreshments will be served in the cafeteria in the basement of Town Hall. For further information about the parade and Veterans Day observance, please call the Benjamin D. Cushing Post 2425 VFW in Marion at 748-9750.

Just recently Troop 53 completed a compass orienteering course on a farm in Rehoboth, MA.

Upcoming Project

The Mattapoisett Boy Scouts Troop 53 will be distributing plastic bags to be placed on the door knobs of members of Mattapoisett. The bags are for the collection of food. The bags will be distributed on Saturday, November 13 and collected on Saturday, November 20. The food collection is for the Hungry of Greater New Bedford. Your support in this community project will be greatly appreciated not only by Troop 53 but by recipients of your generous gifts.

Nor'Easter Soccer Club is One of State's Best

In only its second year of existence, greater New Bedford's Nor'Easter Soccer Club has qualified as one of the state's top premier soccer teams. This honor comes as the result of three pulse-pounding victories in the Massachusetts Premier League Qualifying Tournament held in Wellesley on Saturday, October 23.

The tournament was held to determine which eight teams in Under 12 Boys would qualify for spring play in the Massachusetts Premier League Cups Division, formally the National Challenge Cup League.

In its first match, Nor'Easter battled the powerful Spirit of Massachusetts Soccer Club of the Lexington/Concord area to a scoreless draw until Joey Cabral of North Dartmouth fired in an electrifying goal with less than 30 seconds to play in the match. Goalie Pat Winn of Mattapoisett turned aside all of Spirit's shots on net, while making several spectacular saves.

The second match pitted Nor'Easter against Western United, from the Worcester area. Once again, defense dominated with Dartmouth's Ben Brier slamming the game winner into the net with less than 5 minutes to play. New Bedford's Joey Nunes turned in a strong two-way effort as Pat Winn recorded his second consecutive shut-out in goal.

Nor'Easter's final victory came at the expense of Inter County Soccer Club of Stoughton. Nor'Easter's James Mahoney of Mattapoisett extended the club's shut-out string to three by sweeping aside every Inter County shot. Nor'Easter, which is now eligible to compete for the 1994 Massachusetts State Cup, was founded in the summer of 1992 by Mattapoisett's Craig Mechler and Raymond Cabral, coach of UMass Dartmouth's nationally-ranked Lady Corsairs.

A major fundraiser, "the big one," for the music department of the Junior and Senior ORR High Schools is currently underway. FORM (the Friends of Old Rochester Music) is having a benefit raffle to enrich the music programs at ORR.

The first prize for the raffle is $10,000. There are only 300 tickets, and each costs $100. All tickets are tax deductible. As many as ten people can purchase one ticket and share in the $10,000 first prize.

Only three weeks are left until the Thanksgiving Day drawing. The $10,000 winner of "the big one" will be announced on November 25 at half-time of the Thanksgiving Day football game at ORR. Applications for raffle tickets are available at the main offices of the Junior and Senior ORR High Schools and in the tri-town libraries and several local businesses.

Send checks and raffle ticket applications to: FORM, ORR High School, 135 Marion Road, Mattapoisett, MA 02739. Raffle ticket sales are increasing daily. Please act now while tickets are still available. Participation by all 167 FORM families in the tri-town area is greatly encouraged.

A Victorian setting is the perfect foil for the charming Brewster sisters, who along with an assorted cast of zany characters weave a tale that will humor the audience. Marion Center Associates Program

The Marion Center Associates Foundation will be sponsoring an awareness hour titled "Live and Let Live: Techniques and Practices," on Saturday, November 6, from 10:00 am to 12:00 noon at St. Gabriel's Parish Hall, 124 Front Street in Marion. The event is FREE of charge and the public is cordially invited.

"Live and Let Live" has been the theme of this fall's awareness hours, according to Nancy Mahoney of the Marion Center Associates. "It's a simple saying that really contains a lot of wisdom," she said. "It's so easy to get caught up in worrying about everyone else and trying to 'fix' them, instead of concentrating on our own feelings, needs and growth. This is a special struggle for people from families where there has been alcoholism or other serious problems, but it's true for most everyone as well. In this awareness hour, panelists will share some approaches and techniques that help them let go of trying to control others and allow them to 'live and let live.'"

The panel presentation will be followed by questions and discussion. The awareness hours are facilitated by Dr. Arthur Sklut and Nancy Mahoney of the Marion Center Associates. For more information, please call 748-2850.
